# ORGANIZATION ACHIEVEMENT

---

Through various sponsors, the organization has accomplished several activities such as donation of funds to Ubungo Municipal Council during international women day on Mar 2023, Participated at Temeke for supporting international Women Day. Addition to this, the organization also participated in different stakeholder meeting organized by Ubungo Council and other NGOs. Beside collaboration between Local authority and NGO we have also provided support to gospel songs during events of ethical behavior changes among community

# 4.NETWORK AND COLLABORATION.

---

The FBSF had been enjoying the support from Government, Non-Governmental Organizations and private sectors like **RENTAX AND FINANCIAL CONSULTING LTD, KEM INTERGRATED COMPANY LTD AND LOGICA ACCOUNTANTS & ADVISERS** which has been pivotal to our development.

# FUTURE PLAN 2023-2025

---

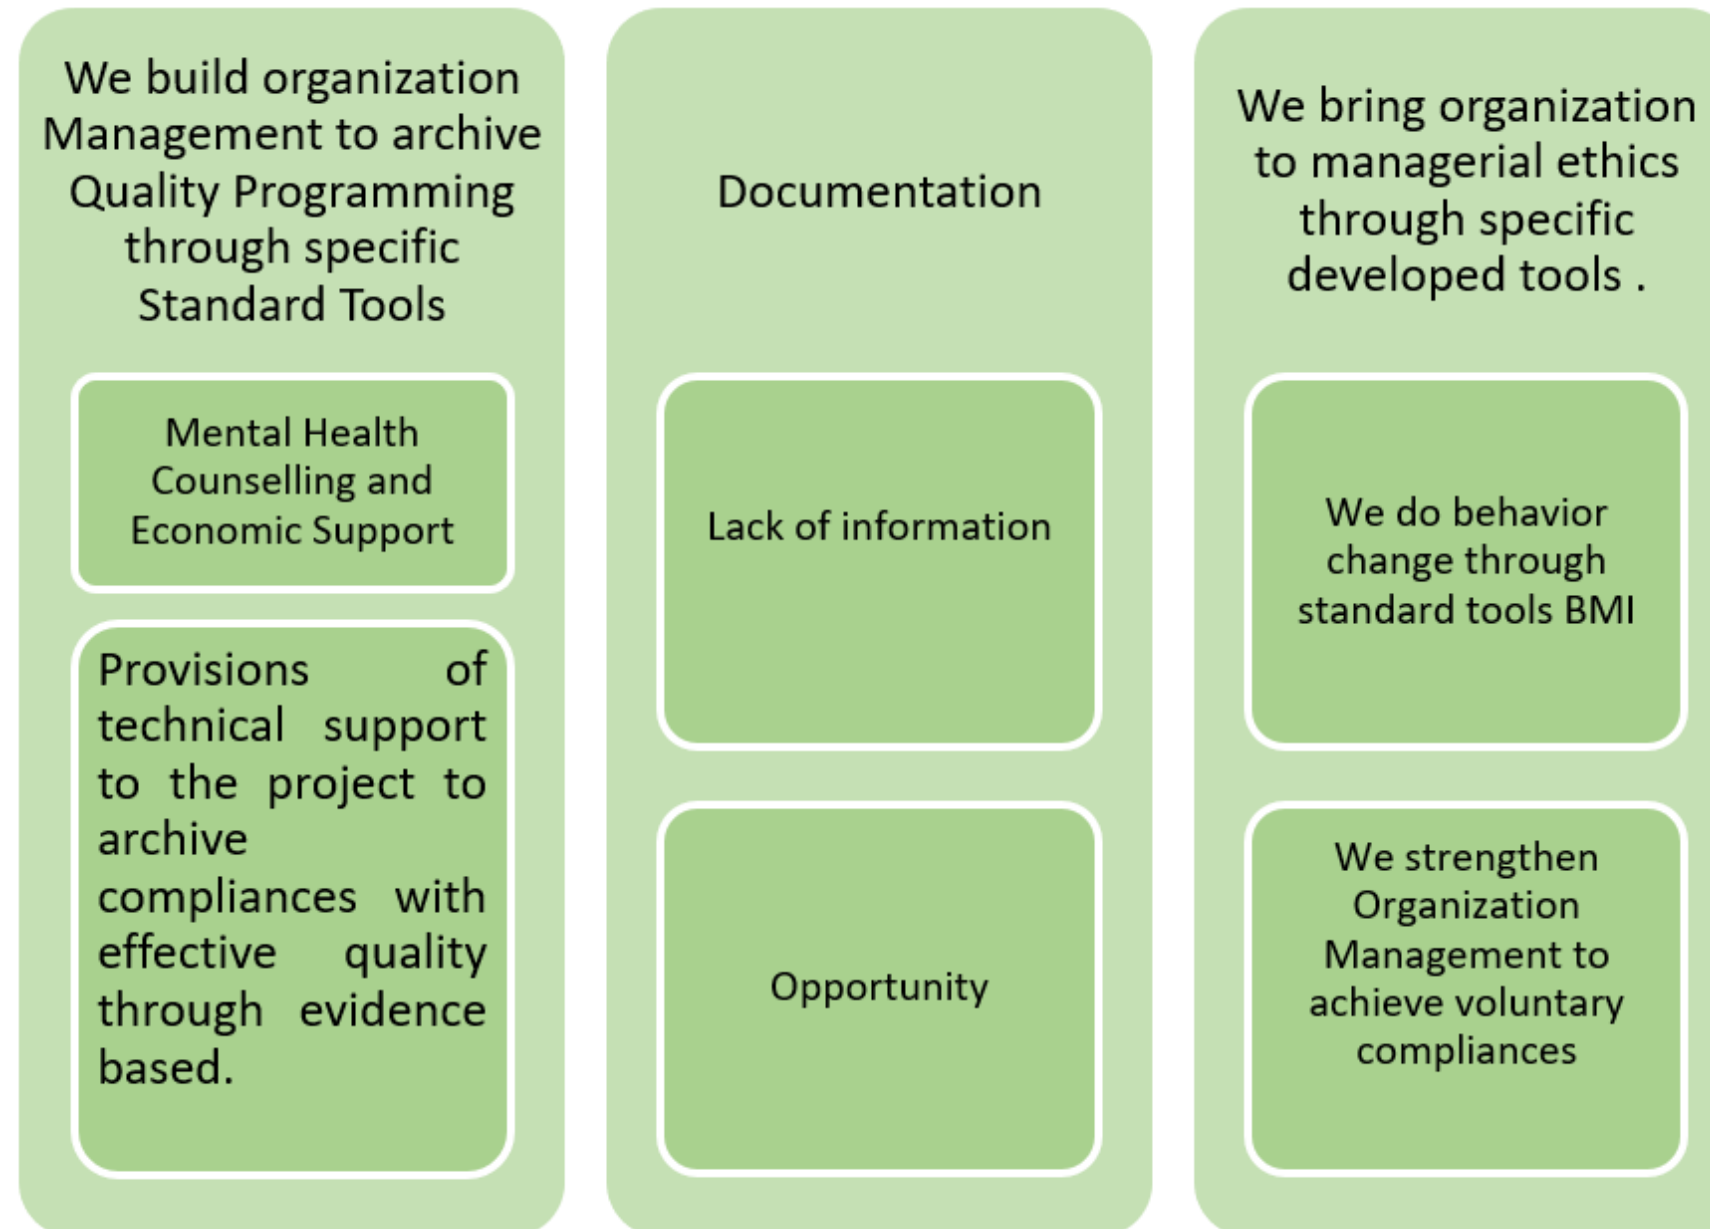

According to Non-Governmental Organizations Register Report released on Jan 2023, there are more than 4,989 Civil Society Organizations suspended due to different circumstance such as lack of compliances and voluntary suspension to 19 civil society.

In above narration, the organization is planned to undertake the following measure to secure the sectors.

- 1.To provide technical support on finance management among all actors on Health Development to achieve quality programming and sustainability of the sectors in Tanzania.
- 2.To offer periodical support on entrepreneurship training skills among community and COS leadership.
- To offer technical support on various Development actors in relation to compliance and others.
